Expansive Alumni Network

The Arts at Friends Academy *imparts the skills you need to navigate the world:* creative problem-solving, collaboration, and teamwork. We build empathy, confidence, and self-esteem, enhancing communication and critical thinking skills across every discipline. Our alumni are successful – some pursuing amazing careers in the Arts, others pursuing and succeeding in careers across the spectrum, from political science to neuroscience, engineering to business.

Explore A Vertical Curriculum

Our curriculum begins in the Lower School, *building skills year by year*, ultimately preparing our seniors for the most rigorous of college programs. We offer signature programs like Middle School Arts Week, an annual celebration of the arts with visiting artists; and tri-annual All-School Musicals, where students from each division perform together on stage in a classic (or modern classic) theatrical production.

Discover The World

Our Arts faculty are accomplished, practicing artists and trained educators. Their range of professional backgrounds and experiences *elevate our curriculum with real-world perspectives*, offering our students unique opportunities and practical applications of newfound skills.

We are process based, focusing on mentoring and student growth to form the foundation of our work, guiding each student as they set goals, navigate challenges, and achieve excellence.
