

Diversity Grant Fund Application

Date: _____

The Diversity Grant Fund provides financial assistance to students for educational trips and activities. The funds are raised by our students on the Diversity Committee. However, the application process for receiving aid from the Diversity Grant Fund is confidential. Students do not have access to the applications, nor are they informed about the recipients of the funds. Every effort is made to provide support, provided that funds are available.

"The funds for the Diversity Grant are raised by students in the Diversity Committee, who host and participate in various fundraisers throughout the year. Our largest sources of revenue are Diversity Night and Original Works, held annually at Friends Academy in the spring, and the Americana Manhasset Champions for Charity Fundraising Event, which takes place after Thanksgiving. Please keep an eye out for event announcements and consider supporting our students as they work to benefit our community."

Please complete the following information:

1. Total cost of the trip or activity:

2. Amount of financial assistance requested:

3. Please provide an itemized list of expenses:

4. Do you have any additional information that would help the committee assess your request?* (You may attach an additional page if necessary.)
